

Best Western
Crewe Arms Hotel
Cheshire M6 J16/17

Crewe Arms Hotel is situated in the heart of Cheshire yet within sixty minutes of Liverpool, Manchester and Birmingham Airports and is close but not too close to both junctions 16/17 of the M6 motorway.

With Crewe's history of the railway it should come as no surprise that you will find the railway station located adjacent to the hotel, in fact, Crewe Arms is the worlds first railway hotel, dating back to 1830.

With a choice of 61 comfortable, well- appointed bedrooms, flexible conference and event facilities

to suit all requirements, a coffee shop, bar and restaurant @1650 to take care of your taste buds, you will have everything you need during your time here.

For both business and leisure guests, we go all out to make your stay as comfy and cosy as possible which is made easier by the beautiful, imposing red brick building standing out at the entrance to the town.

Such is the character, Queen Victoria and her family stayed here when travelling north to Scotland on holiday, there is even a tunnel to the station!
